SUPPORTING DOCUMENTATION

It is vital that the GHR maintains as complete a record as possible with regard to Registrants' relevant training and experience within the field. **Consequently, copies of appropriate documentation must accompany all applications for Registration** (*i.e.* Diplomas / Training Certificates or a short autobiography, properly typed, with respect to your involvement within the field of Hypnotherapy.)

SUPERVISION (*Newly qualified Practitioners only*)

Newly qualified Practitioners are expected to engage in this beneficial process for a **minimum of 2 hours in any 3 month period during their first 2 years of practice after qualification**. (Thereafter, although ongoing Supervision is encouraged, it becomes a voluntary process). Supervision may be conducted via “one-to-one”, a “peer support group” or a telephone / e-mail arrangement where circumstance dictates. Whichever method is employed, **Registrants are advised to maintain a personal log of all such activity** as they may be asked to provide suitable evidence of the previous 12 months Supervision at the time of their annual re-registration.

N.B. Registrants who undertake Supervision as a condition of their membership of other healthcare professions may apply to have this taken into account, providing that it is compatible with and relevant to the practise of Hypnotherapy.

CONTINUING PROFESSIONAL DEVELOPMENT (CPD)

CPD is considered to be important for practising Hypnotherapists in order that they may keep abreast of new developments and techniques within the field. Registrants are expected to participate in relevant CPD activity for a **minimum of 25 hours annually whilst registered with the GHR**. The GHR's definition of CPD includes **appropriate reading, Internet research or personal attendance at relevant workshops**. Practitioners may be asked to provide suitable evidence of the previous 12 months CPD involvement at the time of their annual re-registration and to facilitate this, samples of approved, user-friendly Data Sheets are available from the GHR head office on request.

N.B. Registrants who undertake CPD as a condition of their membership of other healthcare professions may apply to have this taken into account, providing that it remains compatible with and relevant to the practise of Hypnotherapy.

DISPLAY CERTIFICATES (*Non-obligatory*)

Specially Printed Display Certificates measure 28cms x 35cms (11ins x 14ins), are finished in raised burgundy and black ink with gold block logo on a hammered pale cream background, in portrait format and are presented unframed. Whilst they are the exclusive property of the purchaser, they only remain valid if accompanied by a current *Registration Document* (issued annually).
